Exam I This Week

- Write your **full name** and **section** on the answer sheet.
- Read the questions carefully. Some Q&A might require you to select more than one option.
- **Use a pen to circle correct response(s)** for each question. Make sure that your answers are clearly circled.
- For questions which require you to select only one of the options, mark it clearly.
- For short answers, you will receive credit for the quality of your response, not the quantity/length of response.
- Make sure your hand writing is legible.
- **Return your answer sheets to their separate piles based on sections.**
